

WellDyne is committed to ensuring our members are safe and our pharmacies are reimbursed for administering the COVID vaccines.

Pharmacy reimbursement will be based on NCPDP's suggested guidelines for COVID vaccines and will be reimbursed at \$16.94 or \$28.39 based on dose and correct claim submission.

The following is necessary for proper reimbursement:

**TWO DOSE VACCINES:**

1<sup>st</sup> dose of 2 dose regimen reimbursement \$16.94

- Submission clarification code - 2 "Other Override"
- Ingredient Cost and Gross Amount Due - \$0.00 or \$0.01
- Professional Service Code - "MA" (Medication Administered)
- Incentive Amount \$16.94 or \$28.39
- Basis of Cost Determination "15" (free product or no associated cost)

2<sup>nd</sup> dose of 2 dose regimen reimbursement \$28.39

- Submission clarification code - 6 "Starter Dose"
- Ingredient Cost and Gross Amount Due - \$0.00 or \$0.01
- Professional Service Code - "MA" (Medication Administered)
- Incentive Amount \$28.39
- Basis of Cost Determination "15" (free product or no associated cost)
